

Directions for Navigating Career and Salary Survey Data Visualizations on the Office of Academic Effectiveness (OAE) Website

Step 1 Several surveys are available on this page. The underlined links provide a shortcut to the selected survey.	Institute Surveys The Office of Academic Effectiveness (OAE) at Georgia Tech is responsible for administering administrator for the following surveys. <u>Career and Salary Survey</u>  <u>Exit Surveys</u> - <u>Undergraduate Exit Survey</u> - <u>Graduate Exit Survey (Masters)</u> - <u>Graduate Exit Survey (PhD)</u> <u>Survey of Earned Doctorates</u> <u>CIRP Freshman Survey</u> <u>National Survey of Student Engagement (NSSE)</u>
Step 2 Dashboards such as the “2025-2026 Salary Report (Public view)” are open access. All data is cybersecurity safe for public viewing.	Career and Salary Survey The Georgia Tech Career Survey is designed to capture students’ post-graduation plans, particularly with regard to employment and further education. The survey is administered to graduating students at the end of each semester. Data from the survey instrument is used to generate the Salary Report, which provides a summary of employment offers, acceptances, salary offers and signing bonuses presented by major, college, and degree level. It is important to note that the results presented are based on self-reported information. In some instances, reported salaries may vary considerably from year to year. Actual salaries can vary based on prior work experience, specific desired skills, job location, and other factors. <i>Note: Access to the Tableau tables below is only available to GT employees with FERPA clearance. To obtain FERPA clearance, please contact Mark Gravitt at mark.gravitt@registrar.gatech.edu for assistance.</i> <u>Instructions to Access Career and Salary Survey Results</u> Career and Salary Survey (Public View) <u>Survey Instrument (PDF)</u> Reports by Year 2025-2026 Open Career and Salary Survey (Georgia Tech View) <u>Survey Instrument (PDF)</u> Reports by Year (login required) 2025-2026 Open

Step 3

Choose the desired Public or Georgia Tech dashboard view by academic year.

The screenshot shows two side-by-side panels. The left panel is titled 'Career and Salary Survey (Public View)' and the right panel is 'Career and Salary Survey (Georgia Tech View)'. Both panels have a 'Survey Instrument (PDF)' link and a 'Reports by Year' dropdown menu with an 'Open' button. An arrow points from the dropdown in the Public View to the dropdown in the Georgia Tech View, which is open, showing a list of academic years from 2025-2026 down to 2018-2019.

Exit Surveys

The Exit Surveys (i.e., undergraduate, masters, and PhD) are designed to capture students' perceptions of their experience at Georgia Tech. The surveys are divided into two sections. Section one includes items that are common across all programs and sections two includes items that are specific to the program (i.e., between degree petition and graduation).

Step 4

Depending on the report, there may be multiple tabs of data located in the top menu of the window.

The screenshot shows the Georgia Tech Career and Salary Survey Results dashboard for the 2025-2026 academic year. The top menu has tabs for 'Salary by Degree Program', 'Salary by State', 'Salary by Category', and 'Survey Questions'. The main content area shows the Georgia Tech logo and the title 'Career and Salary Survey Results 2025-2026'. Below this is a 'Degree Level Summary' table with columns for Bachelor's, Master's, and Doctorate. At the bottom are various filters for Campus, College, Degree Level, Degree Program, Gender, Ethnicity, Citizenship, Transfer Student, First Generation, Underrepresented Minority (URM), and Honors Program, along with a 'RESET' button.

	Bachelor's	Master's	Doctorate
Responses by Degree Level	1,443	2,834	189
Response Rate	29.78%	33.31%	33.16%
Avg. Salary	\$99,150	\$121,631	\$100,718
Median Salary	\$90,000	\$119,000	\$84,500

Step 5

The data in these reports can be filtered by specified categories. Please note that once you select a filter, the data automatically updates based on the selected criteria.
